Table of Contents

Introduction

Day 1 October 21, 2024

Opening
Keynote Forum
Moderator - Ms. Rebecca Welsh, National Institute of Water and Atmosphere (NIWA), New Zealand

Graeme Aggett
Mikolaj Kuca
Eeva Kuntsi-Reunanen
Norbert Csizmadia

Morning Session: Climate Change Challenges
Moderator – Eeva Kuntsi-Reunanen, Finnish Meteorological Institute, Finland

Gianna Giardini, University of Camerino, Italy
Anna Alicia Kier, WWU Münster, Germany
Rebecca Welsh, National Institute of Water and Atmosphere (NIWA), New Zealand

Panel Discussion

Afternoon Session: Adaptation and Mitigation
Moderator – Graeme Aggett, Lynker, USA

Florencia Victoria De Maio, RINA, Italy
Allexander Gunkel, Space4Good, Netherlands
Vittorio Miraglia, University of Naples Federico II, Italy
Anne Loree Criss, University of California, USA
Marianne Wehbe, ICATALIST, Spain

Panel Discussion

Evening Session: Adaptation and Mitigation
Moderator- Deo Prasad, UNSW, Australia

Anthony Toscano, The Graduate Institute of Geneva (IHEID), Switzerland
Juan Miguel Perez Rosas, Finboot, UK
Ruth McManus, Royal Society Marsden, New Zealand

Panel Discussion

End of Day 1

Day 2 October 22, 2024

Keynote Forum
Moderator - Soheila Ghafoor, Deakin Universtiy, Australia

Annette Lynn Olson, Climate Steps, USA
Maurizio Acciarri, Univ. of Milano Bicocca, Italy
Juras Ulbikas, The Applied Research Institute for Prospective Technologies, Lithuania
Nirmala Menikpura, (IGES), Japan

Morning Session: Sustainability & Climate Change
Moderator- Univ. of Milano Bicocca, Italy

Krisztina Ligetvári, ÉMI, Hungary
Aylin Alisan-Yetkin, Bartin University, Turkey
Esther Barrios Crespo, Universidad de Cantabria, Spain
Cristina Zapien Guerrero, Universidad Autonoma De Ciudad Juarez, Mexico

Panel Discussion

Afternoon Session: Climate Change: Technology & Innovation
Moderator- Nirmala Menikpura, (IGES), Japan

Geoffrey Carbonnel, EcoVadis, Spain
Renée Nicole Wagner, The Hotel Division of Orascom Development Holding AG, Switzerland
Laùrah AHAMADI, Centrale Lille, France
Paola Di Carlo, University of Palermo, Italy

Denise Blake, University of Wellington, New Zealand
Marion Langlet, University of Fribourg, Switzerland
Ineke Jäger, Hamburg University of Technology, Germany

Panel Discussion

End of Day 2

Day 3 October 23, 2024

Keynote Forum
Moderator - Krisztina Ligetvári, ÉMI, Hungary

Marco Peroni, Marco Peroni Ingegneria, Italy
Jay Watson, University of Mississippi, USA
Deo Prasad, UNSW, Australia
Marc Marin-Genesca, Universitat Rovira i Virgili, Spain

Morning Session: Solutions for Climate Change
Moderator: Siriporn Darnkachatarn, Kagawa University, Japan

Junko Nakai, Food and Agriculture Organization of the United Nations, Italy
Soheila Ghafoor, Deakin Universtiy, Australia
Shirley Thompson, University of Manitoba, Canada
Irene Gonzalo Cruz, Natural Art Reef Association (NAR), Spain

Panel Discussion

Afternoon Session: Climate Change & Climatology
Moderator: Marc Marin-Genesca, Universitat Rovira i Virgili, Spain

Laëtitia Bucari Manu, Natural Solutions, France
Monica V. Sanchez-Sepulveda, University of Puerto Rico-Medical Sciences Campus, United States
Zhentao Shen, Zhejiang A&F University, China
Blanca Belsa Carné, ICFO, Spain

Panel Discussion

Evening Session: Poster Session
Moderator: Jay Watson, University of Mississippi, USA

Achille Wilfred Ouambo Talla, University of Ferrara, Italy
Leticia Mara Marca, University of Bristol, UK
Luleka Dlamini, Wageningen University & Research, Netherlands
Raquel Nogueira Rizzotto Falcão, Czech Technical University, Czech Republic
Siriporn Darnkachatarn, Kagawa University, Japan

Panel Discussion

End of Day 3 | End of Conference & Closing Ceremony

INTRODUCTION

The 3rd World Conference on Climate Change & Sustainability, held in Barcelona, Spain, from October 21-23, 2024 brought together leading experts, policymakers, researchers, and professionals from around the world to address one of the most pressing issues of our time: climate change and sustainable development. Set against the vibrant backdrop of Barcelona, the conference served as a dynamic platform for sharing innovative research, exploring sustainable practices, and fostering global collaboration.

We extend our heartfelt gratitude to everyone who joined us for the 3rd World Conference on Climate Change & Sustainability, held in Barcelona, Spain, from October 21 to 23, 2024. Your presence and active participation were invaluable in making this conference a remarkable success. From our distinguished keynote speakers and panelists to our engaged audience members, each of you contributed to an enriching experience that fostered collaboration and the exchange of impactful ideas. Your insights and contributions helped elevate discussions around some of the most pressing challenges of our time, from climate science and policy to innovative solutions in sustainable development.

Thank you for being part of this journey with us. We look forward to your continued support and hope to welcome you again next year as we push forward in our mission toward a sustainable future.

KEYNOTE SPEAKERS

The conference's strong lineup of keynote speakers each brought their own viewpoints and areas of expertise to Climate Week 2024.

Day 1 Keynotes: 1. Graeme Aggett, Lynker, USA **TITLE:** Quantitative Analysis of Colorado's Current and Future Vulnerability to Flood, Drought, and Wildfire Hazards. **2. Mikolaj Kuca, Collegium Humanum, Poland**, **TITLE:** Wind farms accelerate Europe's desertification. **3. Eeva Kuntsi-Reunanen, Finnish Meteorological Institute, Finland**, **TITLE:** Overloading climate risks: The challenge to merge local knowledge with climate and non-climate data **4. Norbert Csizmadia, John von Neumann University, Hungary TITLE:** The Discovery of Tomorrow - Mapping Our Future

Day 2 Keynotes: 1. Annette Lynn Olson, Climate Steps, USA TITLE: The Power of Individuals has Increased (whether we are extroverts or introverts) **2. Maurizio Acciarri, Univ. of Milano Bicocca, Italy**, **TITLE:** The Urgent Shift: Harnessing Renewable Energy for a Sustainable, Italy. **3. Juras Ulbikas, The Applied Research Institute for Prospective Technologies, Lithuania**, **TITLE:** Energy active living environment: challenges and technologies **4. Nirmala Menikpura, Institute for Global Environmental Strategies (IGES), Japan, TITLE:** From Waste to Resource: Textile Industry's Role in Climate Mitigation and Sustainability.

Day 3 Keynotes: 1. Marco Peroni, Marco Peroni Ingegneria, Italy TITLE: Dark Shadow **2. Jay Watson, University of Mississippi, USA**, **TITLE:** What Whitby Knew: Diversifying Knowledge Expeditions around Climate Change with Humanists and Creative Types **3. Deo Prasad, UNSW, Australia**, **TITLE:** Race to net zero carbon Built Environment 2030 – aligning ambitions with stakeholder motivation: An Australian case story **4. Marc Marin-Genesca, Universitat Rovira i Virgili, Spain, TITLE:** Energy Valorization of Waste Aluminum.

We would like to extend our sincere gratitude to all attendees, speakers, poster presenters, and experts who participated in the 3rd World Conference on Climate Change & Sustainability, held in Barcelona from October 21 to 23, 2024. Your involvement and dedication made this event a tremendous success, and we are truly grateful for your contributions.

Our attendee views of Climate Week 2024:

“Thank you again for a great group of people presenting excellent work, and for inviting me to join”.

“I appreciate all of the conference and, if I will have some upgrade to my research I should be honored to participate to the next conference in Milan.”

Thank you again for your job!!

“It was great to be part of the 3rd World Conference on Climate Change & Sustainability in the beautiful city of Barcelona. I was thrilled to contribute as a keynote speaker, engage in discussions, and lead a panel session. Most importantly, it was a wonderful opportunity to meet an amazing group of experts from different parts of the world.”

“Thank you and I enjoyed the event a lot. You did a great job!!! I have shared this with my colleagues who can spread the word about next year too.”

Even the tour afterwards was great.

“Thank you for this excellent, interactive and inspiring event. I will promote and recommend all I heard in Barcelona and your events in the social media and in person as well.”

“It was a wonderful three-days conference. it was a great opportunity to meet an amazing group of experts amazing people from different parts of the world.”

“Many thanks to you and it was my pleasure having been part of the Climate Week 2024 in Barcelona this year.”

ANNOUNCEMENT

4th World Conference on Climate Change & Sustainability

22-24 October, 2025

Location

Milan, Italy
