Maria Petala, Aristotle University of Thessaloniki, Greece

End of Day 3
End of Conference & Closing Ceremony

INTRODUCTION

We extend our heartfelt gratitude to all the participants, speakers, partners, and delegates who joined us for the **4th World Conference on Climate Change & Sustainability**, held from **October 22–24, 2025, in Milan, Italy**. Your presence, engagement, and contributions made this gathering a truly remarkable success and a powerful step forward in our shared mission toward a sustainable future.

Over these three inspiring days, Milan became a hub of innovation, collaboration, and transformative dialogue. Experts, researchers, policymakers, industry leaders, and advocates from across the globe came together to exchange knowledge, present groundbreaking research, and discuss actionable strategies to address one of the greatest challenges of our time climate change. Your active participation and insightful discussions enriched every session, from keynote addresses and panel discussions to interactive workshops and networking events.

We are especially grateful to our distinguished speakers and panelists for sharing their expertise, vision, and passion, helping to spark meaningful conversations that will continue to influence climate action worldwide. To our partners, sponsors, and organizing committee thank you for your unwavering support, which made this event possible and impactful.

The 4th World Conference on Climate Change & Sustainability not only advanced global dialogue but also strengthened the network of professionals and organizations committed to driving climate solutions and sustainable progress.

As we look ahead, we remain inspired by your dedication and enthusiasm. Together, we will continue to build momentum toward achieving a resilient, equitable, and sustainable planet.

Thank you once again for being an integral part of this journey. We look forward to welcoming you to the **"5th World Conference on Climate Change & Sustainability"** in **London, United Kingdom**, from **June 18–19, 2026** where our collective vision for a greener future will continue to thrive.

Our attendee views of Climate Week 2025:

“I am honoured of having been one of the Speaker of the Conference and the moderator of the Session as well. Honestly said, the honour that I have got at the Conference highly exceeded over any of my expectations”

“Thank you, the sessions were indeed very interesting and diverse.”

“Everything regarding the conference was exceptionally smooth. It was very convenient place with hotel and venue together. The way you responded was also exceptionally rapid and helpful.”

“Thank you for the work you put into arranging the event!”

“I would also like to extend my sincere gratitude to you and the entire organizing team for putting together such an insightful and well-coordinated event. The conference was highly informative, featuring a wide range of climate topics and engaging interactive sessions, from which I gained valuable knowledge and perspectives.”
