

## TENTATIVE AGENDA

# 5TH WORLD CONFERENCE ON CLIMATE CHANGE & SUSTAINABILITY

LONDON, UNITED KINGDOM

September 29-30, 2026

# CLIMATE WEEK 2026

# Climate Week 2026

# Tentative Agenda

Day 1 | Tuesday 29 Sep, 2026

Location: Meeting Room

**8:00 AM – 9:00 AM: Registration and Budget Distribution**

---

**9:00 AM – 11:15 AM: Keynote Talks**

---

**10:30-10:50AM Group Photo & Coffee Break**

---

**11:20 AM – 02:00 PM: Morning Session**

**Topic: Session 1: Climate Science & Climatology | Climate Change Solutions | Climate Change, Sustainability, and Biodiversity**

**SubTopics**

Climate Change Solutions focuses on practical, science-driven, and innovative approaches to mitigate greenhouse gas emissions and adapt to global climate impacts. This track explores technologies, policies, and collaborative strategies that accelerate the transition toward a sustainable, low-carbon future.

Climate Regulation, Climate Technology, Climate Modelling, Climate Systems, Climate Resilience, Atmospheric Science, Biodiversity Offsetting, Sustainable Land Use, Ecosystem Restoration, Habitat Protection, Nature-Based Solutions

---

**01:00-01:40PM Networking & Lunch Break**

---

**02:05 PM – 04:30 PM: Afternoon Session**

**Topic: Session 2: Global Warming Effects & Causes | Carbon Capture, Utilization, and Storage | Green and Sustainable Mobility**

**SubTopics**

Greenhouse Gas Emissions and Anthropogenic Causes, Fossil Fuel Combustion and Industrial Emissions, Co2 Emigrations, Deforestation, Floods, Impacts on Biodiversity, Vulnerability of Arctic and Antarctic Regions

Utilization and Storage, Carbon Capture in Power Generation, Sustainable Hydrogen Production, Energy Integration, Technologies, Research and Development, Future Trends and Innovations

Electric Vehicles (EVs), Public Transportation, Bicycle Infrastructure, Sustainable Fuels

Urban Mobility Solutions, Low-Carbon Transportation

---

**03:50-04:10PM Coffee & Networking Break**

---

**04:35 PM – 06:10 PM: Evening Session**

**Topic: Session 3 Climate Policy, Governance, and Law | Challenges and Opportunities in Climate Action | The Road to Net-Zero**

**SubTopics**

Energy Policy, Climate Justice, Technology Transfer, Carbon Markets, Delivering on Climate Finance, Ocean Governance and Policy, Carbon Tax, Climate Litigation, Mitigation Policies

Demographic Regulations, Modern Lifestyle, Large Share of Pollution, Hypothetical Approach, Economic Burden, Climate Misinformation, Legislation Violence

Renewable Energy Revolution, Smart Grids and Energy Efficiency, Electrification of Transportation, Hydrogen Economy and Fuel Cells, Sustainable Agriculture Technologies, Artificial Intelligence (AI)

for Climate Solutions, Together for Our Planet

---

**End of Day @06:10**

---

# Climate Week 2026

# Tentative Agenda

Day 2 | Wednesday 30 Sep, 2026

Location: Meeting Room

**8:00 AM – 9:00 AM: Registration and Budget Distribution**

---

**9:00 AM – 11:15 AM: Keynote Talks**

---

**10:30-10:50AM Group Photo & Coffee Break**

---

**11:20 AM – 02:00 PM: Morning Session**

**Topic: Session 1: Adaptation and Resilience Strategies | Climate Technology and Innovation**

**SubTopics**

Greenhouse Gas Emission and Measurement, Climate-Related Disasters and Reduction, Risks And Vulnerabilities Assessment and Visualization, Impacts of Climate Change on Health and Well-Being, Ecosystem Services and Carbon Sequestration, Sustainable Transport and Climate Change Mitigation and Adaptation, Sustainable Building and Construction Industry Decarbonization and Economic Growth

AI & ML, Blockchain, Green Technology, Hydrogen Technology, Renewable Energy

---

**01:00-01:40PM Networking & Lunch Break**

---

**02:05 PM – 04:30 PM: Afternoon Session**

**Topic: Session 2 Climate Action: Real-world Case Studies | Extreme Weather and Disaster Risk Reduction**

**SubTopics**

Impact of Climate Change on Daily Life, Adapting to Climate Realities, Voices from the Frontlines, Health Implications of Climate Change

Heatwaves, Flooding, Hurricanes, Droughts, Wildfires

---

**03:50-04:10PM Coffee & Networking Break**

---

**04:35 PM – 06:10 PM: Evening Session**

**Topic: Session 3 Renewable and Clean Energy Transitions | Climate and Ocean Systems**

**SubTopics**

Solar Power, Wind Energy, Hydropower, Bioenergy, Geothermal Energy

Sea Level Rise, Marine Biodiversity, Ocean Warming, Coastal Erosion  
Marine Heatwaves

---

**End of Day @06:10**

---
